# WINE ENTHUSIAST

## PETITE HURRAH

On behalf of P.S. I Love You, the grower/producer advocacy group for Petite Sirah, I'd like to thank you. Although this is a subtle detail, I noticed in your "Buying Guide" section that you've listed California Syrah reviews in one section, and the Petite Sirahs in the "Other Reds" section. This proves unequivocally that Petite Sirah and Syrah (Shiraz) are finally being recognized as two separate (but equal) varietals. The growers/producers of Petite Sirah know that this is a giant step forward for them that deserves recognition.
